

Camp Serenbe Summer 2020 COVID-19 Plans

We are looking forward to a wonderful summer at Camp Serenbe and providing kids with a great outdoor experience, needed this summer more than ever! We will do so while keeping safety and sanitation our number one priority. Below are the guidelines and regulations we will have in place.

- Each group will have 12-16 campers and 2-3 counselors. There will be a maximum of 50 campers total per week but there will be no large group activities.
- We will enforce the recommended safe social distancing guidelines - maintaining a 6ft minimum distance between each group.
- There will be drop-off and pick-up times and zones to limit parent numbers.
- Campers and counselors will be asked to regularly wash their hands and use hand sanitizer.
- All equipment will be sanitized after each use.
- We will not be swimming.
- There will not be any all camp activities.
- As always, campers will be told not to share water bottles or any personal belongings.
- There will be a form required from all campers and staff to disclose health history plus all recent travel or contact history.
- Since there is limited availability this summer, we are implementing a one-month cancellation policy. However, if camp is cancelled due to a State of Georgia Executive Order everyone will be fully refunded.

If you have any questions or concerns, please don't hesitate to reach out to our camp director, Kara, directly.
